

Founder's Day celebrations held at Reva University

REVA University celebrated Founder's Day on January 6, 2026, at its campus to mark the birthday of its Chancellor, Dr. P. Shyama Raju. The event honoured Air Chief Marshal Fali H. Major, diplomat Nirupama Menon Rao, and actress Jayasudha with the REVA Lifetime Achievement Award for their exceptional contributions to society. Dr. Raju reflected on his journey and highlighted values such as ethics, discipline, and hard work as the true essence of education. The awardees shared insights on leadership, integrity, social responsibility, and perseverance. As part of the celebrations, the university unveiled RIA, an AI-powered humanoid developed by REVA students and faculty, underscoring its commitment to innovation and academic excellence.
