University Impact Rankings for UN SDG 4: Quality Education

Times Higher Education has rigorously evaluated 1,681 universities from 122 countries/regions to rank those making a significant contribution toward the United Nations' Sustainable Development Goal 4: quality education. These top institutions are recognised for their commitment to advancing the right to education and ensuring access to education at all levels, from childhood development through secondary education and beyond. By focusing on sustainable education practices, they equip students with relevant skills and foster effective learning outcomes that are essential for the future workforce.

The top universities excel in offering equitable quality education, promoting vocational training and providing lifelong learning opportunities. Their innovative approaches ensure that education is not only accessible but adaptable to the evolving needs of society, thereby supporting sustainable development and reducing inequalities within and among countries.

Top universities for championing gender equality in 2024

UNIVERSITY IMPACT RANKINGS FOR UN SDG 5: GENDER EQUALITY

Times Higher Education has assessed and ranked 1,361 universities from 114 countries/regions on their contributions to the United Nations' Sustainable Development Goal 5: gender equality. These universities excel in eliminating forms of discrimination and violence against women, enhancing women's access to reproductive rights and ensuring their effective participation in leadership and public life. Through dedicated research, comprehensive policies and inclusive practices, these institutions play pivotal roles in empowering women and advancing gender equality across global communities.

These leading universities foster environments where women can thrive by providing equitable access to education, opportunities for leadership and advocating for comprehensive social protection policies. Their efforts are crucial in promoting the empowerment of women and achieving substantial progress towards gender parity in all areas of society.

THE Impact Rankings 2024

SDG 11 – Sustainable Cities and Communities

Ranked in the global band: 801 – 1000

The screenshot displays the 'Top universities for championing gender equality in 2024' page. It includes a navigation bar, a main heading, a sub-heading 'University Impact Rankings for UN SDG 5: Gender Equality', and a paragraph describing the assessment of 1,361 universities. A grid of 17 SDG icons is shown, with 'Sustainable Cities and Communities' (SDG 11) highlighted. Below this is a table of university rankings for SDG 11, with REVA University highlighted in an orange box. The table shows a rank of 801-1000, a score of 12.1-33.6, and an overall score of 6.8-44.9. The page also features sections for 'STUDENT INSIGHTS' and 'ACADEMIC INSIGHTS'.
