Explore the top ranked universities in the world

Discover the top universities worldwide with the *Times Higher Education* World University Rankings 2025. This year, we have ranked more than 2,000 institutions from 115 countries and territories.

University rankings 2025: key insights

- **Oxford** holds on to the top spot for the ninth consecutive year, bolstered by significant improvements in industry engagement and teaching
- **MIT** rises to second place, overtaking Stanford, which drops to sixth
- **China** edges closer to the top 10, further boosting its global research influence
- **Australia's** top five universities all slip down the rankings, due to declining reputation and international outlook
- **Three new countries** join the top 200 - Brazil, Saudi Arabia and the United Arab Emirates - highlighting the rise of emerging markets in higher education

Explore the table below to discover the full rankings and how universities around the world are performing this year.

RANKING	SCORES					
Rank	Name	Country/Region	No. of FTE Students	No. of students per staff	International Students	Female:Male Ratio
1501+	REVA University	India	15,190	20.5	1%	33 : 67
